## COSHH Risk assessment

Company name: Carrie May School of Performing Arts Assessment carried out by: Caroline Parry (Principal)

Date assessment was carried out: 17/08/2020

What are the hazards?	Who might be harmed and how?	What are you already doing to control the risks?	What further action do you need to take to control the risks?	Who needs to carry out the action?	When is the action needed by?	Done
Indoor Air Quality – may cause irritation	Everyone in classrooms	If we notice a chemical smell in the air, we will open windows.	Open windows and doors (where possible) before classes start to allow any vapours to dissipate, assuming weather allows	Teacher, teaching assistant	Each class	
Skin contact with cleaning fluids – may cause rashes, burns, etc	Teachers cleaning Everyone in the buildings	Gloves will be provided to anyone cleaning	Teachers will always try to dry off any areas that have been cleaned. If an area needs to have cleaning fluids left on it, the area must be blocked off.	Teacher, teaching assistant	Each class	
Inhalation of spray deodorants	Teachers, teaching assistants, students	Students are encouraged to use deodorant outside of the classrooms.	If someone does use a spray deodorant in the classrooms, a responsible adult must open doors/windows to allow the spray to leave	Teachers	Upon occurrence	
Consumption or facial contact of sanitising hand gel	Students		Teachers must watch students as they sanitise their hands to ensure they do not try to consume it or put it near their eyes.	Teachers	Each class
